Dear parents of pupils in Class 2 & 3,

Later this week Classes 2 and 3 are going to be busy working with the Children's Forest group again. They will be experiencing woodlands, playing and exploring, producing creative writing and tending to the trees they planted last year.

**On Thursday 6<sup>th</sup> July Class 2** will leave school at 9am and return to school before home time. They will need a packed lunch and we will provide additional snacks as necessary.

**On Friday 7<sup>th</sup> July Class 3** will leave school at 9am and return to school before home time. They will need a packed lunch and we will provide additional snacks as necessary.

Please ensure that your child has their water bottle with them. They should also come suitably dressed for outdoor learning (warm trousers, school uniform sweatshirts, sturdy shoes and a waterproof coat please). School will cover the transport costs.

Yours sincerely,

*Lynn Harrison*
