15/11/22

Dear parents,

We have a few exciting events coming up which I would like to inform you of!

Hopefully the children came home yesterday and told you all about 'Grammar Show,' they had lots of fun and learned new things too!

Next week Classes 2 and 3 are going to be busy working with the Children's Forest group. They will be experiencing woodlands, playing and exploring, producing creative writing and on the final half day they will be planting trees!

**On Monday 21<sup>st</sup> November Class 2** will leave school at 9am and return to school before home time. They will be provided with a school packed lunch and we will provide additional snacks as necessary.

**On Tuesday 22<sup>nd</sup> November Class 3** will leave school at 9am and return to school before home time. They will be provided with a school packed lunch and we will provide additional snacks as necessary.

**On Wednesday 23<sup>rd</sup> November Class 3** will leave school at 9am and return to school in time for lunch (and then swimming!) and **Class 2 will leave school at 11.30 am** and return before home time. Once again Class 2 will have a packed lunch which they will eat upon arrival!

We do ask that just for these days (Class 2 Monday and Wednesday and Class 3 Tuesday) that children do have a school packed lunch so that in the interests of fairness, everyone has roughly the same lunch. Please ensure that your child has their water bottle with them. They should also come suitably dressed for outdoor learning (warm trousers and school uniform sweatshirts please). School will cover the transport costs.

**On Thursday 24<sup>th</sup> November** Mr Harrison will be taking a team of cross-country runners to take part in the Brampton Cluster cross country run. If your child is selected to take part you will receive a letter shortly.

In the afternoon of the 24<sup>th</sup> we are very lucky to have a visit from a local author Chris Proudfoot. He has written a lovely book aimed primarily at 5 – 10 year olds and the theme is about sharing worries. He is going to work with each class sharing the book and completing a short workshop. The book 'Ria the Anxious Hermet Crab' is available to order, should you like a signed copy. Please complete the attached slip.

**On Wednesday 30<sup>th</sup> November** is Class 3's last swimming session.

Yours sincerely,

Lynn Harrison

Child name .....

I would like ( ) number of signed copies of Ria The Anxious Crab and enclose £6.99 per

copy. Signed .....
