Dear Parents,

We would like to say a huge 'Thank you!' to everyone who baked, faked and turned up to the MacMillan Coffee Morning event we held earlier today. It was lovely to see so many of you here and all of the amazing treats you provided for us all to enjoy. So far we have raised a magnificent £378.76 for this worthy cause. We could not do this without your help, so thank you again.

We can also confirm that our school Harvest Service will go ahead on Thursday 6th October at 2.30pm in St. Kentigern's Church and everyone is very welcome to attend.

All children will take part in the Harvest Service and each class will deliver a short presentation on the harvest theme. On the day we would be grateful if each child could bring in a small harvest gift. We would request that these are non-perishable items such as tins, jars, tea, coffee or even something extra special like chocolates, biscuits or other treats. These gifts will then be used to create mini hampers, which are then distributed to the retired residents of the village.

The children in Years 5 and 6 will give out these hampers on Friday 7th October. We know that these hampers are very much appreciated. Not only are the gifts very well received, but, provide the school children with a real opportunity to make valuable connections with their local community.

Please complete the slip below to confirm whether or not you will be attending the harvest service. Should you be unable to come along and your child does not use school transport please arrange to collect your child from the **church at 3.30pm.** If someone else will be taking your child home on that day, please confirm who this will be on the slip below. We will walk any children travelling home on the school bus back to school so please indicate on the slip if your child/ren will be on the bus. After school clubs will be running as usual so please indicate if your child will be staying at school for that purpose.

Yours sincerely
