## Wraparound Childcare market research survey

As part of the Government's childcare reform, they have launched a national wraparound childcare programme. Their ambition is that all parents and carers of primary school-aged children (from Reception to Year 6) will be able to access term time childcare in their local area from 8am-5.30pm or less depending on local demand.

The programme launches in September 2024, with a view that this care will be available to all parents/carers by 2026 at the latest.

The Government currently offer two support packages that can help parents with the cost of childcare; those eligible for Universal Credit may be eligible for up to 85% subsidy of their childcare costs, or Tax-Free Childcare, where for every £8 paid in the government will top it up by an extra £2, up to a maximum of £2,000 per year. To find out what support you may be eligible for visit [www.childcarechoices.gov.uk](http://www.childcarechoices.gov.uk)

We're looking to gauge the need of our parents, and whilst we cannot promise to meet everyone's individual needs, this questionnaire will help us form a decision as to how we offer this to support you, our parents. The deadline for returning these forms is: **Thursday 28th March 2024.**
