Dear parents,

There are a few new faces in school and I would like to introduce them.

Temporarily covering Miss Hughes time in classes 1 and 2 is Miss Harrison.

We also have a college student Carmel Johnston who comes into class one each Tuesday.

And finally, we have a temporary cook, Barry Jackson, in the kitchen for the next couple of weeks as Julie has had an operation on her finger.

Don't forget Bookfair is on next week Monday – Thursday 3.30pm – 4pm. Please check your emails and the school app for more information about this event, including the competitions we are running with the chance to win a £5 voucher to spend at the Book Fair.

Thanks to the PTA and everyone who donated to GNAA. We raised just over £200 for school funds and this worthwhile charity.

Yours sincerely,

Lynn Harrison
