Headteacher Lynn Harrison

19.09.24

Dear parents,

Next Tuesday (24.09.24) at 6.30 pm, I shall hold a parents' information session on how we teach phonics in Class One.

This session will last for approximately 45 minutes and I explain how we teach early reading and phonics, and is primarily aimed at parents of Reception children, but parents of Year One who would like a refresher or missed it last year are more than welcome to attend.

It would help me to get organised if you could indicate on the attached slip if you are able to attend.

Many thanks,

Lynn Harrison

I/We parents of will attend the Phonics information session.
