Monday 21st September 2026

Dear Parents,

In conjunction with Fairtrade Fortnight's 'Do it Fair', we are holding a MacMillan Fairtrade Coffee Afternoon on ***Friday 25th September 2026 2pm – 3.30pm*** *in the school hall.*

We would love to raise as much money as possible for this fantastic charity, and for the Fairtrade Foundation. We're hoping you can all make it and bring along friends & family too!!

Of course, your children will be able to come into the hall and join you for a yummy treat!

If you cannot make it to the event but would like your child to visit the cake stall, please send some money in a named envelope and a member of staff will take them along.

In order to make this a huge success we really need your help! Please can you bake, make or fake it for this fabulous event? Please send in anything you can donate on the day! I would also really appreciate (need) any volunteers who could serve tea or coffee or help me on the cake stall. Just speak to me if you can help.

Homemade or shop bought cakes biscuits, jams, and any other sweet treats!

See you all on Friday 25th September at 2pm!

Lynn Harrison.

Here's a reminder of how your dough-nations will make a difference:

£76 could help a member of the Cancer Information and Support Team on the Macmillan Support Line provide someone affected by cancer with the information they need

£305 could pay for a Macmillan nurse for one day, helping people living with cancer and their families receive essential medical, practical and emotional support

£764 could help run our Online Community forum for one day. In this time, more than 1,500 people affected by cancer in the UK can share emotional and practical support to each other

£1000 spent on our Macmillan Support Line could help their Welfare Rights Team to support people living with cancer find out about the benefits they could be entitled to.

Products with the FAIRTRADE Mark are ethically produced. Choosing Fairtrade means standing with farmers for fairness and equality. It means farmers creating change, from investing in climate-friendly farming techniques to supporting women in leadership. By choosing Fairtrade now, you're taking a stand with farmers and workers worldwide for fairer incomes, so they can protect the future of our food.
