

Class 2 Summer Term Maths

Week 10

Time

<u>Year 2</u>	<u>Year 3</u>
<ol style="list-style-type: none">1. Watch the video clip on BBC bitesize at the link below for a reminder on how to tell the o'clock and half past times. Do the quiz that goes with it.2. In Year 2, you also need to know how to tell the quarter past and quarter to times. For quarter past, the big hand points to the 3; for quarter to, the big hand points to the 9.3. Use a lid to draw some clocks and show the times on the Year 2 Clock Times sheet.4. Time yourself doing these things in minutes and seconds. Perhaps you could use a stopwatch on a phone. Write down how long it takes you to do each activity: Draw a flower Do 20 star jumps Wash your hands properly Walk up and down stairs Write your name 20 times Write out your weekly spellings Say the alphabet Say your 5 times table5. Now, practise comparing intervals of time using the Year 2 Compare and sequence intervals of time sheet. Remember, you don't have to print – you could copy from the screen.	<ol style="list-style-type: none">1. Watch the year 3 power point on time. If you can, watch it with an adult who can check that you understand. We have done some work on this in class, but time always proves tricky to learn!2. Look at some analogue and digital clocks and watches in your house at different times of the day. Keep practising telling the time!3. Use a lid to draw some clocks and show the times on the Year 3 Clock Times sheet.4. Look at a clock in your house now. What time will it be in 5 minutes? In 10 minutes? In 15 minutes? In 20 minutes? In 25 minutes? In half an hour? In 35 minutes? In 40 minutes? In 45 minutes? In 50 minutes? In 55 minutes? In 1 hour? In 1 ½ hours? In 2 hours?5. Practise looking at time duration, (how much time things take), by solving the problems on the Year 3 time duration problems sheet. (You don't have to print; you can copy from the screen.)6. EXTRA CHALLENGE: If you would like to really test your brain cells, have a go at the Year 3 Time Challenge cards. These are tricky!
