Tuesday 23rd February 2021

Dear Parents

Following the exciting news that schools are to re-open on March 8th preparations are now well under way for all pupils to return.

I assume that all normal services will resume, including transport, sports coaches, lunches etc but will confirm as soon as we know along with any other advice and guidance from the government. Pupils at primary school will not be expected to wear masks in school, although staff may need to wear them when social distancing is not possible. I would also ask that all parents wear masks when on school grounds, unless medically exempt.

Online lessons will continue this week and next and it is imperative that all children attend these lessons so that they do not fall behind before the start they return to school.

This Thursday 25th February is the changeover day for home learning packs so please bring packs in as early as possible and we shall mark the work completed and replenish with work for week commencing Monday 1st March. There may be some work already prepared and stuck in books for the week commencing Monday 8th March and we would ask that the children do not complete this work at home as we will cover this in school.

The new packs will be ready for collection on Friday 26th February between 2pm and 4pm and we would ask that you stick to these times as the packs will not be ready before this time and staff may not be available after this time.

A reminder that all entries for the Fairtrade competition are to be returned no later than Friday 26th February. We look forward to receiving your entries and attach a copy of the letter emailed out to parents on Wednesday 10th February, which includes all of the information relating to this event, for those who may not have seen it.

Yours sincerely

Lynn Harrison
