Dear Parents,

Every year we mark Remembrance Day with a whole school 'thinking day'.

Historically we have undertaken a 5-year World War 1 project, and more recently we have started to look at events of World War 2.

This year on Wednesday 10th November, we are all going to look at the life and work of Sir Captain Tom Moore.
In Class One we shall design and make medals to commemorate WW2 and the work of the NHS.
In Class Two, following research into Sir Tom, the class will produce newspaper articles.
In Class Three, to coincide with their current Literacy focus, they shall produce a biography of his life.

In the afternoon the school shall come together for a sponsored run.

Each class will attempt a combined 100 laps of the school field to mark Sir Tom's laps of his garden. This will roughly equate to 5 laps per child (dependant on ability and willingness!!).
Any donations or sponsorship money will be sent directly to the Poppy Appeal (British Legion) along with money we have collected from the sale of poppies.

On Thursday the 11th November at the end of morning break we shall observe a 2 minute silence.

Please send in the completed sponsor form and money raised as soon as possible after the event.

Many thanks in anticipation of your support.

Lynn Harrison
