

15 December 2020

Thank you to everyone who has supported the two events that the PTA have been running. They have both been a great success.

Christmas Balloon Race

This is something that we have never done before and we sold 199 balloons. The children have loved looking at the leader board and trying to find their own balloon. Each class had their own balloon entered to add to the competition! It has been lovely to see them talking to their friends about it. Well done to Toby Dorey who was the winner of the race. Well done to Class 1 who won the class race. We raised a fantastic amount of £337.00 for the PTA funds.

Christmas Hamper Raffle

Thank you to everyone who purchased raffle tickets, sold tickets to friends and family. We sold an amazing 962 raffle tickets. We had 20 hampers donated for the event. They ranged from food hampers, gin hampers, chocolate hampers and hampers for children. The draw took place on the school yard with parents socially distanced on Monday, 14 December. We raised £930.80 for the PTA.

The winners were:
