Wednesday 18<sup>th</sup> March 2020

Dear Parents,

Class 3 Assembly – Friday 20<sup>th</sup> March – 9.15am

We can confirm that as indicated on the school app and the website, this assembly has been cancelled.

School app:

For those who have not yet downloaded the school app please go to the apps store on your mobile phone and search for ourschoolsapp. Look for the logo below, which has a green background with white arrows and tap on to install.

Once installed it will ask you to search for your school, you can type in the school name or the postcode CA6 4NJ. Once you have located, and tapped onto, our school it will bring you into the homescreen, which includes options such as information, news, contacts, settings and calendar. Each time a new item is posted onto the app you will receive a notification on your 'phone. You will also receive reminders of upcoming events, which are included in the calendar section. We also include items in the News and Information sections whenever necessary.

We would request that everyone has this app installed upon their phone as it is a way of school communicating directly with any changes in the school calendar, including any cancellations or postponements of events. We can also provide you with updates regarding the advice given by the DfE and the World Health Organisation regarding the coronavirus.

We will also post any updates upon the school website so please check both forums for information.

This is particularly important in the upcoming weeks due to the uncertainty over school closures.

Yours sincerely

*Lynn Harrison*
