Headteacher Lynn Harrison

13.04.2020

Dear Families,

I hope that you are all well and safe and managed to enjoy the Easter Break.

Tomorrow is the day when the Summer term was due to begin, unfortunately that is not the case in these difficult and uncertain times. As headteachers, we have been having regular virtual meetings, planning for the way forward. Whilst I do not anticipate that the school will be open before May half term, there are now tentative talks about the possibility of schools opening sometime in June, subject to the control of the COVID virus. How exactly this will happen is unclear, but does at least give us some hope!

In the interim, now is the time that the online learning can begin in earnest and hopefully this will help to keep everyone busy!

The teachers will continue to review and add in activities as and when appropriate. I will be in school tomorrow and possibly later on this week and so if any one requires some of the activities to be printed off or would like help or require resources, please do not hesitate to contact myself or your child's class teacher.

Don't forget to send in pictures of whatever you and your children are doing to the website. StudentWork@irthingtonvillage.cumbria.sch.uk. We were all so delighted to see the photos appear over the holiday. The pictures get refreshed on a weekly basis.

All of the staff at Irthington are missing the children and are keen, as I am sure everyone else is, to get back to normal.

They all send their very best wishes to you and to your families.

Stay safe.

Yours sincerely,
Lynn Harrison
