Headteacher Lynn Harrison

6th July 2021

Dear Parents,

You may remember that Tempest Photography came into school last month to take Class photographs, as well as group photographs of the Reception and Year 6 children. All of the children were brilliantly behaved as usual.

We have now received all of the photographs into school and enclose the photograph(s) taken of your child/ren.

You can either send your orders into school, together with payment in the envelopes provided, or you can order online directly with Tempest. You can also choose to have your photographs delivered into school or directly to you, however, home delivery will incur a further charge. All details are included on the order form.

If you wish to send your order into school please do so by this coming Monday 12th July 2021, together with payment, as we will not be able to accept any orders after that date. Any cheques should be made payable to Tempest Photography. Please note that school cannot accept any online payments for the photographs.

Please also note that it is highly unlikely that we will receive the photographs back into school before the end of this term, so they will be available for collection on the INSET days at the end of the summer break (Tuesday 31st August/Wednesday 1st September - from 10am - 2pm) or can be collected from school once the Autumn Term commences.

Please note that as a school we receive 25% commission upon all orders, however, if you order online this commission is increased to 30%.

Yours sincerely
Lynn Harrison
