

Dear parents,

As part of our planning for September and to help to inform any whole school or individual support that we might need to put in place, we would be very interested to gather your views, concerns and queries and your assessment of how your child has coped with these unusual times. All of your responses will be dealt with in the strictest of confidence. Please return your completed questionnaire to [head@irthingtonvillage.cumbria.sch.uk](mailto:head@irthingtonvillage.cumbria.sch.uk)

How would you describe your family's experience of the Lockdown generally?	
How closely has your child followed the Home Learning?	
How could the Home Learning experience have been improved?	
Have you identified gaps in your child's learning? If so what are they?	
How well has your child coped (emotionally) with the Lockdown?	
Has anyone in your family experienced a significant event? (anxiety, illness, bereavement or significant change to home life)	
Is there anything else you would like to tell us about?	

Thank you in anticipation of your responses.

*Lynn Harrison*
